

Dauntless in Twilight enamel

Dauntless-C

Fearless and resolute, this timeless beauty delivers steady overnight heat even on the fiercest of winter nights, and experience greater efficiency during low burns with the included catalyst. The cast-iron griddle top and optional cooking grill of the Dauntless-C helps you connect around food and flame all year long.

Timeless cast iron styling with a furniture-quality finish

Convenient top load keeps smoke and ash contained and increases load capacity

Exclusive swing-out ash pan allows you to cleanly remove ashes, even when the stove is hot

Optional cooking grill conveniently sits under the cast iron griddle top to offer a versatile cooking surface

For full warranty details, visit www.forgenflame.com.

1: BTU/hr output: 1st hour output uses high burn efficiency number. BTU/hr output will vary depending on the type of fuel used and moisture content of the fuel. 2: See your local Vermont Castings authorized dealer for help in determining the product that best suits your heating needs based on climate and home efficiency. 3: Weighted average LHV (Low Heating Value) efficiency.

IMPORTANT - READ BEFORE YOU INSTALL! - Refer to the Owner/Installation Manual for complete clearance requirements and specifications. The images and descriptions in this brochure are provided to assist you in product selection only. Vermont Castings is a registered trademark of Hearth & Home Technologies. Product specifications and pricing subject to change without notice. Fireplace, stove and insert surfaces get extremely HOT and can cause burns if touched. Keep a safe distance away.
